

ONLINE BACHELOR OF ARTS IN SECONDARY EDUCATION MATHEMATICS

CONNECT MATHEMATICS TO LEARNERS

Develop and enhance your fundamental understanding of math through our accelerated, online teaching program. Establish the ability to teach mathematics to secondary education students with effective teaching practices. Introduce and improve students' problem-solving and critical thinking skills for use in both math and STEM-related courses.

Upon completion of this online program, you will earn your Bachelor's degree in Secondary Education - Mathematics and your Wisconsin teaching license. The courses can be scheduled to complete this program in three years or at the pace you prefer.
