Bachelor of Arts in Secondary Education - English & Language Arts prepares you to teach reading, writing, and literature in middle and high school. This fully online program offers licensure and non-licensure options. You study literature and composition while building skills in instruction, assessment, and classroom management.

CAREER PATHWAYS

Graduates pursue roles as **middle and high school English teachers**. The licensure pathway prepares students for Wisconsin certification. The non-licensure option is also available. Graduates teach reading, writing, and support student development in English and language arts.
