Bachelor of Arts in Elementary Education prepares you to teach in K–9 classrooms. This fully online program offers licensure and non-licensure options and can be completed in three years. You study child development, instruction, and assessment while building skills to support diverse learners. Coursework connects theory to classroom practice, grounded in a Christ-centered approach.

CAREER PATHWAYS

Graduates pursue roles as **elementary and middle school teachers.** The licensure pathway prepares students for Wisconsin certification for grades K–9. Non-licensure option is available.
