Bachelor of Arts in Business Administration - Human Resource Management prepares you to lead people and workplace strategy. This fully online program includes courses in employment relations, training, ethics, and HR management. You build skills in employee relations, training, and organizational leadership while applying concepts to your current role. Designed for working professionals, this program supports career advancement.

CAREER PATHWAYS

Graduates pursue roles in **human resources, talent development, and employee relations**. This degree supports advancement into supervisory and HR leadership positions. Students may accelerate into a 4+1 Fast Track MBA at Concordia University Wisconsin to expand opportunities and prepare for leadership in workforce management.
