Interest is assessed on past due reimbursement at .875% per month. The interest rate can change annually. Please refer to the Interest Assessment guide at <https://dwd.wisconsin.gov/uitax/interestrate/> for additional information regarding interest rates and calculations.

We charge interest on past-due reimbursement amounts even if you are appealing the benefit charges.

We will assess penalties if you do not:

- ✓ File reports by the quarterly due date
- ✓ File using the correct media

Late fees assessed for failure to file required Quarterly Wage report(s) are the greater of \$100.00 or \$20.00 per employee.

**If you paid no wages during the quarter**, you must still file a zero payroll contribution tax report. The report can either be filed online if you have online access to your UI account at <http://dwd.wisconsin.gov/uitax> or you can submit the report on paper.
