Subject: Finalization of Draft Policies

Dear Mr. Lentz,

These revised policies have been finalized and incorporated into the [WIOA Title I Policy Manual](#), with an effective date of **August 1, 2025**.

- Section 4.12 – General Principles Affecting Allowability of Cost
- Section 4.13 – Allocation of Costs
- Section 4.14 – Cost Allocation or Indirect Cost

The updated manual is now available on our official policy website for your reference. These were originally posted for review in 2023. We consulted with our Office of Legal Counsel to ensure full compliance with applicable regulations and best practices. Based on their advisement, DWD has revised and updated the relevant policies.

We value your continued cooperation and commitment to policy integrity. Should you have any questions, require clarification, or wish to discuss any aspect of the revised policies, please do not hesitate to contact me directly.

Regards,

Signed by:

Stephanie Elmer
