

# WAI 2 Technical Assistance Session

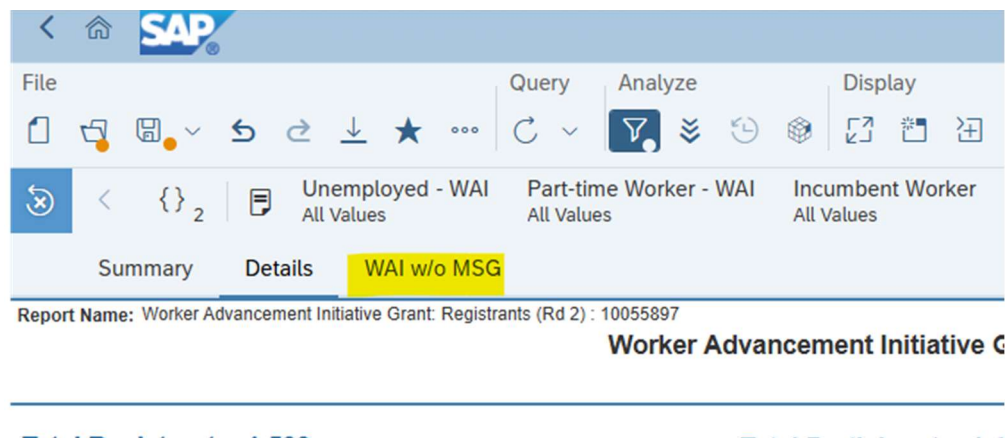

**Date:** Monday, March 2, 2026

**Time:** 11:00am – 12:00pm

A. Welcome

B. BI Report Update

- a. The WAI BI report update is live
  - i. Update includes a new data point tracking Measurable Skill Gain entries for WAI training completers.
- b. This new feature can be found on its own tab alongside the Summary and Detail tabs.

C. At the request of the Department of Corrections, the WAI Round 2 Incentive/Stipend requirement has been waived for all DOC participants.

- a. Case note the requirement being waived in **each** affected participant's file.
- b. We recognize the complexities that may arise with the incentive/stipend requirement among particular cohorts. In these situations, we are open to accepting additional requests for consideration.
  - i. Request should include the partner agency's rationale for why the service should not be provided.
  - ii. Requests will be reviewed on a case-by-case basis.

D. WAI / Workforce Solutions Initiative included in Governor Evers' State of the State address

E. Additional questions from the group
